Meteorologist's View

A good day for hill walking, although appropriate layers should be worn due to a risk of wind chill, despite it feeling rather cold on the hills, where skies stay clear of cloud there is a risk of strong sunlight which may require sun cream.

Forecast for Thursday 25 Apr 2024

Weather: Another cold, dry and bright start to the day with increasing fair weather cloud building throughout the morning. Staying largely dry through the day, although perhaps the odd isolated shower in the northeast of the Park by the afternoon.
